GENERAL TERMS AND CONDITIONS

1. This agreement is entered into between, on the one hand, Expo FUAR, established at Bruinissestraat 11, 3086HA Rotterdam, the Netherlands (here inafter referred to as: EXPO FUAR), and on the other hand;
.....Place./Date.....Here inafter. .referred .to.as.the..Participant:.....
.....
.....
- This agreement is entered into on the date stated in the agreement, within the framework of the terms and conditions set out below and above.
2. The subject of this agreement concerns the determination of the mutual rights and obligations of both parties with respect to participation in the organisation whose details are set out in Table A on the front page of the agreement and which is offered by service provider EXPO FUAR to the PARTICIPANT.
3. This agreement is signed on the date stated in Table A and enters into force from that date. The agreement shall remain in force until the mutual obligations of the parties have been fully performed; upon full performance, the agreement shall terminate by operation of law without any notice of default and/or written notification being required.
4. The PARTICIPANT hereby declares and undertakes to comply with the participation conditions of the relevant organisation, to accept the general participation conditions of the main organiser and to adhere to the deadlines set by the main organiser and EXPO FUAR with respect to both payments and the provision of all other required information. If the PARTICIPANT fails to fulfil the obligations arising from this agreement in a timely manner and/or in accordance with the stipulated conditions, EXPO FUAR shall have the right to unilaterally terminate the agreement without prior notice of default, while retaining the right to recover from the PARTICIPANT any damages suffered as a result of non-performance.
5. All costs arising from or that may arise from EFT/transfer/transaction/commission charges during the performance of payment obligations by the PARTICIPANT shall be entirely for the account of the PARTICIPANT and may not be set off against the contract amount under any designation. If such a deduction takes place, Expo Fuar shall have the right to claim the deducted amount from the PARTICIPANT. Furthermore, the PARTICIPANT declares, accepts and undertakes in advance that, if payments are not made on the due date, EXPO FUAR shall be entitled to charge interest of 3% of the relevant instalment amount for each day of delay. If any instalment payment is not made or is made incompletely, all other payments shall become immediately due and payable.
6. The main organiser and EXPO FUAR shall have the right to make changes to the layout plan of the organisation or to the venue where the organisation will take place.
7. EXPO FUAR is obliged to offer the organisation it represents internationally to its clients. All information and documents, as well as the main conditions and documents of the main organiser it represents, shall be provided to the participant.
8. The PARTICIPANT acknowledges being obliged to comply with the legal conditions of the organisation as established by the main organiser, as well as the general rules of the country regarding society, trade, safety and customs, including the relevant laws and regulations. This applies to both conduct and attire as well as to all exhibited or distributed products and materials. In the event of non-compliance, the PARTICIPANT accepts and undertakes to compensate all material and immaterial damages arising therefrom for EXPO FUAR and other participants.
9. EXPO FUAR may recommend international transport companies with which it cooperates for the transport of goods that the PARTICIPANT will exhibit during the organisation. The participant is free to cooperate or not with these companies. The recommendation of EXPO FUAR is purely advisory and entails no liability for any disputes between the participant and the transport company. The PARTICIPANT is obliged, regardless of whether it uses a transport company recommended by EXPO FUAR, a third-party transport company or its own means, to fully comply with the transport conditions and deadlines of the main organiser and the customs of the host country, to deliver the goods to be exhibited and accompanying documents on time and at the designated locations and to make the required payments. EXPO FUAR and/or the main organiser bear no responsibility if goods do not arrive on time or cannot be exhibited as a result of delays or errors by the PARTICIPANT or its transport company. In that case, the PARTICIPANT may not claim any material or immaterial compensation from EXPO FUAR or the main organiser.
10. EXPO FUAR shall have the right, in the event of force majeure beyond its control, to change the date of the organisation or to cancel the organisation without being liable for any compensation to the PARTICIPANT. No PARTICIPANT may unilaterally amend or terminate the agreement.
11. The responsibility of EXPO FUAR within the organisation area is limited to the general safety of the premises (with the exception of open spaces and parking areas), the general cleaning of the premises (cleaning within the stand is the responsibility of the participant), ensuring the general order of the organisation and promotional services. Whether or not to accept additional services not mentioned in this agreement is at the discretion of EXPO FUAR. If additional services are accepted, the costs thereof, as well as rental costs for extra stand materials, shall be for the account of the participant.
12. Expo FUAR provides no guarantee whatsoever regarding the commercial success of the organisation, nor regarding the number or quality of visitors and participants.
13. EXPO FUAR shall have the right to take all measures it deems necessary for the proper conduct of the organisation as a whole. The participant is obliged to comply with the arrangements established by EXPO FUAR to safeguard the integrity, safety and commercial success of the organisation. In this context, EXPO FUAR shall have the right to change the organisation date within reasonable limits. In the event of postponement, the financial rights of the participants shall remain valid for the new date and the participant may not claim any refund or compensation under any designation.
14. If stand materials are provided to the participant, the participant shall exercise due care and shall not cause damage to the organisation area or the stand materials. In the event of damage, the participant is obliged to compensate this in cash and until this obligation is fulfilled, the participant's goods may not leave the organisation area. No extra decoration materials may be used outside the stands provided and designed by EXPO FUAR. In the event of violation, the electricity of the stand may be disconnected or the stand may even be closed. The participant accepts all measures and interventions by EXPO FUAR in this regard and waives any objection or damage claim. The material liability of the participant shall remain fully in force.
15. The participant is obliged to carry out all organisation and promotional activities within the boundaries of the rented stand area. If work is carried out outside the contractually established area, a fee of three times the price per m² shall be charged for each m² exceeded. The participant accepts and undertakes to pay this fee without reduction.

GENERAL TERMS AND CONDITIONS

16. The participant must adhere to the opening and closing times of the organisation. The stands must be vacated no later than 18:00 on the day following the closing date and must be handed over empty and clean to an authorised representative of EXPO FUAR against signature. If the stand is not vacated in time without valid reason, the materials and goods of the participant may be removed from the exhibition area by EXPO FUAR without prior notice. All resulting costs, damages and losses shall be for the account of the participant.
17. Except in cases of force majeure (unforeseen circumstances, epidemics, pandemics and natural disasters), the participant may not vacate its stand before the official closing date or leave the organisation area.
18. The Participant is individually responsible for occupational accidents that may befall its personnel and for any non-compliance of the goods and services exhibited by it with applicable laws and regulations. EXPO FUAR and/or the companies cooperating with EXPO FUAR shall bear no liability whatsoever in this regard.
19. The safety and insurance of the goods promoted/exhibited by the Participant shall be for the account and responsibility of the Participant. The Participant may not, in any manner whatsoever, rent out or transfer in whole or in part to third parties the rights obtained under this agreement, with the exception of its own group companies, partners and subsidiaries, nor exhibit brands of other companies. In the event of violation, EXPO FUAR shall be entitled to take all necessary measures to prevent participation in the organisation and to close the stand entirely. In that context, EXPO FUAR may disconnect the electricity, water and other services provided without prior notice of default. The Participant may not claim any compensation from EXPO FUAR in that case. Furthermore, in such a case the agreement of the Participant shall be terminated, the allocated stand space shall be immediately reclaimed by EXPO FUAR and/or a contractual penalty equal to twice the contract amount shall be imposed. The Participant accepts and undertakes that this penalty may not be reduced.
20. If EXPO FUAR, as a result of fault or negligence of the Participant, is required to pay amounts to the personnel of the Participant or to private/official third parties in connection with activities on the Organisation premises, EXPO FUAR shall be entitled to recover these amounts from the Participant in full and in one lump sum in cash, without court order or prior notice to the Participant, provided they are documented.
21. The Participant declares and accepts that it shall comply with all terms and conditions of agreements that EXPO FUAR enters into or will enter into with third parties with respect to the relevant fair or organisation.
22. Smoking is prohibited in the organisation and in the common areas. Fines imposed on EXPO FUAR and/or the owner of the premises due to violation of this prohibition by the Participant or its personnel shall be recovered from the Participant.
23. Both parties acknowledge that all information concerning natural persons provided by the other party, as well as information concerning legal persons that contains personal data, shall be regarded as personal data. Each party undertakes, with respect to the personal data processed in the context of this agreement, to act in accordance with Act No. 6698 on the Protection of Personal Data and the decisions of the Data Protection Authority, as well as all applicable regulations in this regard; to take appropriate administrative and technical measures to prevent unauthorised access and unlawful processing; in the event of a data breach or suspicion thereof, to inform the other party within 24 hours of discovery at the latest if it concerns them; and in the event of requests from data subjects or official authorities, to inform the other party as soon as possible and provide the necessary information for response. Each party declares that it has fulfilled its obligation to inform data subjects and, where required, has obtained their explicit consent.
24. If the organisation is postponed by the main organiser or EXPO FUAR for justified reasons, force majeure or an unforeseen circumstance within the control of the organiser, the contractual rights of the Participant shall be preserved. The Participant accepts that during the period of force majeure or unforeseen circumstances its contractual rights shall be preserved and that it may not revoke the agreement.
25. The Participant may not claim a discount on the participation fee on the grounds of a shortened participation period, regardless of the reason.
26. If the Participant, despite having signed this agreement, does not participate in the organisation for whatever reason, it shall be obliged to pay the fee stipulated in the agreement, even if no advance payment has been made.
27. In the event of cancellation by the Participant, EXPO FUAR shall have the right to claim a cancellation fee. This fee shall amount to 100% of the contract amount including VAT. However, this provision does not grant the Participant a unilateral right of termination, but merely the right to request cancellation.
28. If the Participant wishes to rent extra materials, furniture or other services in addition to the stand, materials and furniture included in the contract, the prices established by the main organiser or EXPO FUAR on the date of order shall apply. Extra materials and services are limited to the available stock of the main organiser. In the event of insufficient stock, EXPO FUAR shall not be liable; in that case, the amount paid for extra materials shall be refunded under the same conditions.
29. The Participant is obliged to provide the company information required for inclusion in the organisation catalogue to EXPO FUAR no later than the date established by EXPO FUAR. If inclusion is not possible or incorrect information is listed as a result of delay or error by the Participant, the Participant shall be responsible therefor.
30. If the organisation in the relevant year qualifies for state support granted by competent authorities of European Union countries and/or the Republic of Turkey, the Participant shall be responsible for the timely, complete and correct submission of all required documents and for following the application procedure. In the event of rejection of the support due to incomplete documents, incorrect/misleading declarations or delays attributable to the Participant, the responsibility shall lie with the Participant. In that case, the Participant may not claim any material or immaterial compensation from EXPO FUAR.
31. The Participant is obliged to pay the stamp duty arising from this agreement in accordance with the law.
32. If this agreement has been signed by persons who are not authorised to validly represent the Participant, all damages suffered by EXPO FUAR as a result shall be for the account of the unauthorised signatory, who may not provide evidence to the contrary. If the Participant may only be represented jointly or with limited authority and EXPO FUAR did not know or could not have known this, the Participant may not invoke invalidity on the grounds of missing signatures. In that case, the signatories shall be deemed to have acted in bad faith and shall undertake to compensate all damages of EXPO FUAR in full.
33. This agreement shall also be fully legally valid if it has been concluded by fax, online channels or email (scan).
34. All disputes arising from or in connection with this agreement shall be subject exclusively to the jurisdiction of the competent courts of Amsterdam.
35. This agreement consists of thirty-five (35) articles and has been drawn up in duplicate and signed by the parties. This agreement shall be governed exclusively by Dutch law. In cases not provided for by this agreement, the provisions of Dutch law shall apply.
